PROFESSIONAL SUMMARY

I am currently seeking a Co-op opportunity in Cybersecurity to leverage and further develop my practical technical skills, while gaining valuable hands-on experience in the field.

EDUCATION

King Saud University (2025 - 2026) | Riyadh, Saudi Arabia
Diploma in Cybersecurity | College of Applied Studies, Computer Science & Engineering Department
Academic Performance: GPA of **4.88 / 5.00**

ACADEMIC & TECHNICAL PROJECTS

Firewall Deployment & Security Hardening on Ubuntu Server (2026) **Ubuntu Server Environment**

- Deployed and configured a local network firewall architecture to actively filter, monitor, and control incoming and outgoing traffic.
- Implemented custom rule-sets through the command-line terminal to enforce strict operational access control policies and secure open services.
- Conducted complete network baseline checking, log analysis, and troubleshooting to isolate anomalies and verify defensive configurations.

TRYHACKME TECHNICAL CERTIFICATIONS & LABS

Completed Technical Learning Paths& Specialized Rooms (2025 - 2026)

Completed Specialized TryHackMe Learning Paths & Rooms

- **Junior Security Analyst Intro**: Simulated Security Analyst duties, Alert triage, log analysis, and incident response.
- **SOC Role in Blue Team:** Learned SOC operations, Blue Team responsibilities, and Level 1 SOC Analyst workflows.
- **Snort:** Configured Snort IDS to detect network threats, analyze traffic, and create detection rules.
- **Traffic Analysis Essentials**: Learned network traffic analysis fundamentals and identified suspicious network activity.
- **Network Traffic Basics:** Gained hands-on experience in capturing, monitoring, and analyzing network traffic.

CERTIFICATIONS & SPECIALIZED TRAINING

- **SLED/ FED & GRC Virtual Cybersecurity Conference (2024)** – Data Connectors Cybersecurity Community
- **Black Hat Middle East & Africa (2025)** – Visitor | Hosted by SAFCSP & Tahaluf (10 CPD Credits)
- **Black Hat Middle East & Africa (2024)** – Visitor
- **Cyber Wars and Cybercrime (2021)** – Digital Giving Initiative
- **Introduction to High Performance Computing (2021)** – Digital Giving Initiative
- **Cybersecurity Fundamentals (2021)** – Digital Giving Initiative
- **Algorithms & Mental Calculation Course (2015)** – Abbad Bin Bishr Elementary School

LEADERSHIP, ACHIEVEMENTS & PROFESSIONAL ENGAGEMENT

Session Moderator & Presenter (2026) - King Saud University **King Saud University**
Panel Discussion: Cybersecurity and Cryptography

- Moderated the session, led the technical dialogue, and interviewed a faculty expert on cryptography standards.
- Demonstrated advanced public speaking and technical leadership.

School Logo Designer (2024) – Al Mansourah Secondary School
Panel Discussion: Cybersecurity and Cryptography

- Designed the official school logo for the 2024 academic year.
- Received formal recognition from the school administration for the selected design.

CONFERENCES & SELECTED UNIVERSITY ACTIVITIES

PanelSession: "The Roadtothe Future" (2026) – KSU College of Applied Studies
Panel Session: "Ambitious Youth & Prosperous Economy: Vision 2030 Career Market" (2026) – King Saud University
Panel Session: **"Artificial Intelligence Developments" (2026)** – King Saud University

VOLUNTEER EXPERIENCE

Volunteer (2025 - 2026) - Total: **117** Certified Hours **Total: 117 Certified Hours**
Volunteered across 5 community organizations, including:

- Riyadh Region Municipality • College of Community (KSU) • Al-Bir Charitable Society – Al-Shufayyah Center
- Student Clubs Administration, (KSU) (including the Saudi Red Crescent) • Da'wah and Guidance Association – Al-Sahafa

PROFESSIONAL SOFT SKILLS & LANGUAGES

CoreCompetencies:

- Critical and Analytical Thinking • Teamwork • Advanced Use of Technology
- Proficiency in Microsoft Office 365 • Professional Presentation Skills
- Technical Communication • Fast Problem Solving

Languages: Arabic , English
